

E10

PROFILE

Centerm E10 is a flexible & smart self-service terminal with multiple functions integrated.

FEATURES

- Fashionable appearance design, with 10.1-inch touch screen
- Multiple peripheral extensions supported, like IC card reader, fingerprint reader and Camera, etc.
- Support wired and wireless communication methods
- Suitable for various kinds of intelligent industrial branches like banks, insurance, telecom and healthcare, etc.

SPECIFICATION

SYSTEM

Processor	ARM Cortex-A9 Quad-core 1.8GHz
Available Operating System	Android

MEMORY

RAM	1GB
Storage	8GB Flash

DISPLAY

Monitor	10.1" Multi-point Touch Screen (Capacitance)
Resolution	1024 * 800

NETWORK

LAN	x1 (10/100 Base-T Fast Ethernet, RJ-45)
WIFI	Optional, built-in

I/O PERIPHERAL INTERFACE

USB 2.0 Port	x 3
Serial Port	x 1
Keyboard	15-key physical keyboard
Camera	By default one camera in front Optional one camera on side pixel: 300w

PRINTER

Printer Type	Thermal Printer
Printing Paper	Width/Length: 80mm/ 13m~15m

AUDIO

Speaker	Built-in
---------	----------

FINANCIAL MODULES

Magnetic Stripe Write Module	3 Magnetic Tracks
PSAM Card Module	x 2
RFID	Supported
IC Card Reader	x1 (contact/ non-contact)
Fingerprint	Optional

POWER

Power Supply	Worldwide auto-sensing 100-240V AC, 50/60 Hz, 19V/4.74A DC
Power Consumption	8.75w
Cooling	Fan-less

ENVIRONMENT

Working	Temperature: 0°C-50°C ; Humidity: 30%-90%RH
Storing	-20°C-55°C

SIZE

Size	335 x 335 x 293 (mm)
Net Weight	2.0kg
